

PHILIP MORRIS USA POSITIVE YOUTH DEVELOPMENT GRANT ATTRIBUTION GUIDELINES:

Organizations receiving grants related to positive youth development (“PYD Grantees”) must acknowledge such support from Philip Morris USA in communications that typically recognize donors (e.g., annual reports, newsletters and websites). We request, however, that our company name not be used on materials that are intended to be distributed to or placed among children.

Philip Morris USA and/or its parent company may acknowledge Philip Morris USA’s support of PYD Grantees in reports, brochures, websites and similar materials which include information about Philip Morris USA’s support of positive youth development. Such acknowledgment may include mentioning the PYD Grantees in the aforementioned materials, and such website attribution may include displaying links to PYD Grantees’ websites, if applicable. The PYD Grantees’ names will not be mentioned in other Philip Morris USA and/or its parent company’s communications, such as television commercials or print advertising, without such grantees’ prior written consent.

Organizations that do not comply with the above stated attribution guidelines are not eligible to receive PYD funding from Philip Morris USA Youth Smoking Prevention (“YSP”).

I certify that the information provided in this application is true to the best of my knowledge and that the organization represented herein will comply with the Philip Morris USA Positive Youth Development Grant Attribution Guidelines during the dates covered by this grant application. In addition, I certify that the organization requesting funding is a non-profit 501(c)(3) tax-exempt charitable organization and does not discriminate on the basis of race, religion, gender, sexual orientation, disability or national origin.
